1. Introduction

Faced with the intensifying problems in our societies, many people see no way out and tend to be pessimistic and discouraged. Others, however, although well informed about the dark realities of our time, remain confident about the future. Knowledge or denial of current spiritual issues partly explain these different views. If we ignore the real issues, if we lack a global vision of current challenges, accurate visions of the future are impossible. Thanks to prophecies, we know that after the purification the world is going through, the reality in which we will live will be much better. We can already rejoice in this. Aware of this, the trial becomes less frightening and we become positive and courageous. Below is an overview of the current situation, information about what lies ahead, and advice on how to get through the trials to come.

2. Corruption and global domination

2.1 Who controls nations, corporations and global organisations?

2.1.1 Important questions

- Are the **mainstream media** and **authorities** really telling us the **truth**? Where are they lying to us, hiding essential and crucial information from us?
- What is **propaganda**? Is it practised? On what scale? **Does it work** on the population?
- Who controls the world's most **important financial resources**? What do they do with them? How did they obtain them?
- Which groups of people have the most **influence politically and economically**? How did they obtain such power? In what direction are they trying to lead humanity?
- Do **Freemasonry** and **ecclesiastical Freemasonry** exist? Who are their members? What do they do and to what ends?
- In Freemasonry, it is a matter of climbing the ranks. To reach the 33rd degree, must their followers necessarily sink into **Satanism**?

- What is Satanism? **Does Satan really exist?** What happens during **Satanic rituals**? What are their goals?
- Why do Freemasons seek above all to **destroy the Catholic Church**? What bothers them so much about **priests**? Why don't they attack **other religions** as well?
- What are the Catholic Church and the Catholic faith? How have they survived 2,000 years of persecution?
- The world government of the Church in Rome is also a state. Is it now infiltrated as most other nations are? What does the current hierarchy of the Catholic Church want? Does it still act with the same intentions as before?
- Why did **Pope Benedict XVI**, like his predecessors, not remain **in active ministry** until his death? What was his mission during the last nine years of his life?
- What do the Book of **Daniel**, the Book of **Revelation**, the Gospel of **St. Mark chapter 13** and the Gospel of **St. Matthew chapter 24** tell us? Do they concern our time?
- Before important events, the Lord has always warned mankind through Scripture, **mystics** and **prophets**. Are there prophets today? What do they tell us? Can we **verify that what they say is true**?

2.1.2 Freemasonry

Since the early 18th century, men thirsting for wealth, pleasure, domination and power have been gathering together **through Freemasonry**. All over the world, they form **secret societies** and are unconcerned about the fate of the rest of the population, whom they despise. They are obsessed with their **own selfish interests**. In their view, there is no God and they have no morality. Through their crimes, scheming and corruption, they have now managed to capture almost **all the wealth** in the world. They have **infiltrated everywhere** and **control the world**. To increase their power, they **join a satanic sect**, in which they participate in sordid rituals. They go so far as to commit the abominable sacrilege of desecrating the living body of Jesus Christ in his consecrated hosts. These monsters have "**sold their souls to Satan**" and thus exchanged the eternal and infinite happiness for which they were created for illusions and temporary financial advantages and domination on this Earth.

2.2 How far does their power extend?

2.2.1 The various Masonic groups around the world own and control:

- multinational corporations
- private and central banks
- money creation against debts
- private and national debts
- pharmaceutical companies
- technology companies
- telecommunications companies
- social networks
- the media, cinema
- manipulation of public opinion
- international organisations
- intelligence agencies
- politics
- governments
- the top of the hierarchy in the Vatican
- major criminal organisations

- the justice system
- the armed forces
- ecclesiastical Freemasonry
- the top of the Vatican hierarchy

All these companies, organisations, associations and entities **work for private interests**. We live under the **illusion of democracy**. For several decades now, they have **been** increasingly and visibly **controlling the world**.

2.3 Corruption of the media, governments and the justice system

As an example of the corruption of the media and the justice system and their manipulation of public opinion, let us look at what happens when paedophile criminals protected by Freemasonry are exposed by the public. If it is a child trafficking network and politicians or judges are involved, the press and the justice system minimise the facts and do not investigate. They look for one or more scapegoats to blame for the crimes, as if they had acted alone. The judiciary and judges do not question witnesses, persecute victims, label those who seek to defend children as "conspiracy theorists", quickly close the case and divert the public's attention with the next big headlines in the newspapers.

- If you were unaware of this reality, this Kla.tv document, "**Voices and Counter-Voices - Paedophile Networks in the Judicial System**", provides several striking examples:

3. Usurpation of the Vatican by ecclesiastical Freemasonry, resignation and canonically invalid elections

3.1 Ecclesiastical Freemasonry

For several decades, ecclesiastical Freemasonry has infiltrated the Vatican. In 1972, **Paul VI** said: "*Given the situation of **the Church** today, we feel that, **through some cracks, the smoke of Satan has entered the people of God.***" The goal of ecclesiastical Freemasonry is to **destroy the Catholic Church**, the ministerial **priesthood** of priests, and the **sacraments**.

3.1.1 Masonic 33-point plan to destroy the Holy Catholic Church, directives to Freemason bishops:

- From the magazine En Route: "*We share with you a shocking document that shows that, unfortunately, this statement by Pope Saint Paul VI does indeed reflect reality, namely that 'the smoke of Satan has entered the Church'. Indeed, it is no longer a secret that there is an ecclesiastical Freemasonry to which certain priests, bishops and even cardinals are affiliated, who are working to destroy the Church from within, persecuting at the same time the good shepherds and the faithful attached to the Catholic Church and its Magisterium. Finally, let us remain confident and hopeful in God, who promised, concerning his Church, the Catholic Church, that "the gates of hell shall not prevail against it" (Mt 16:18).*"

3.1.2 Messages from the Virgin Mary to Don Stefano Gobbi (Marian Priestly Movement) concerning Freemasonry infiltrating the Church:

- *"The black beast, resembling a panther, indicates Freemasonry; the two-horned beast, resembling a lamb, indicates Freemasonry infiltrated within the Church, that is, **ecclesiastical Freemasonry**, which has **spread especially among the members of the hierarchy**. This Masonic infiltration within the Church **was already foretold by me at Fatima**, when I announced that **Satan would infiltrate the highest levels of the Church**. If the task of Freemasonry is to lead souls to perdition by leading them to worship false gods, the goal of ecclesiastical Freemasonry, on the other hand, is to destroy Christ and his Church by building a new idol, that is, a false Christ and a false Church."* No. 406g, 13 June 1989
 - <https://kdrive.infomaniak.com/app/share/823031/e1bcd42c-b838-4d3c-9743-532cadeb2a98>
- The **Blue Book of the Marian Movement of Priests**, which compiles the messages given by the Virgin Mary to Don Gobbi, contains many other messages on **ecclesiastical Freemasonry** at the following references: 171i, 332h, 386e, 393a, 406, 407, 413, 486p, 495d, 509j, 531f, 548l-m

 - Request the official version from the head of the Marian Priestly Movement in your region:

- All these messages are very clear. How is it possible that the current leaders of this movement do not understand them?

3.2 Andrea Cionci's investigation of the Ratzinger Code

Mr Andrea Cionci's team, involving **five lawyers**, including **two canon lawyers**, investigated the **alleged abdication of Benedict XVI**. They analysed the messages and documents communicated by Benedict XVI. In 2022, the book "**Ratzinger Code**" was published. It presents their approach and conclusions. The invalidity of Benedict XVI's resignation and the usurpation of the Vatican by ecclesiastical Freemasonry are evident, as proven in multiple ways.

3.2.2 Definition of the "Ratzinger Code":

- It is the use, by Pope Benedict XVI, during the last nine years of his life, of the *restrictio mentalis lata* (broad mental restriction), a concept of moral theology to tell the truth in a way that only those who have ears to hear can understand.

3.5 Supernatural revelations confirming the discoveries of The Ratzinger Code

3.5.1 Apparition of Benedict XVI

- On 2 February 2023, one month after his entry into Heaven, Benedict XVI appeared to a nun in Colombia to give her his will. He reveals how he was hindered during the first part of his pontificate, then what he experienced during his nine years of exile, completely prevented from acting.

3.5.3 Prophecy of Saint Malachy

- The *Prophecies of Malachy* is a text published in Venice in 1595 by a Benedictine monk, Armand de Wion, attributed to the Irish bishop Saint Malachy, a friend of Saint Bernard of Clairvaux, who lived at the beginning of the 12th century, in which 111 popes are listed, starting in 1143, shortly before the death of the Irish saint. The last of the 111 on the list is Joseph Ratzinger.

3.5.4 Number of stars on the Tilma of Our Lady of Guadalupe

- In this interview with Alessandro Massano and Andrea Cionci, we discover how God, the master of the universe, as a mathematician and perfect knower of the future of His Church, drew on the mantle of His Most Holy Mother the proof that Benedict XVI is our last true pope. Juan Diego, whose name in Aztec means "he who speaks like an eagle," that is, like John of the Apocalypse, was chosen by Heaven to reveal to us what has remained hidden for 500 years and which today is fundamental to know: the exact papal succession, with confirmation that Mr Bergoglio is not pope, that Benedict XVI is the last pope and that John XXIII is indeed a valid pope.

4.1 Position taken by Father Giorgio Maria Faré, an Italian priest

In his **homily on 13 October 2024**, Father Giorgio Maria Faré, Carmelite and Doctor of Fundamental Theology at the Pontifical Gregorian University, took a position on the current hierarchy of the

Catholic Church. His presentation summarises the invalid resignation of Benedict XVI and the current antipapacy. He provides all the official sources.

5. Responses to objections about the Ratzinger Code

5.1 Resistance

- There is strong resistance to the reality of the antipope. However, this position is not an opinion, but a fact. For many, this reality seems impossible, so they do not even bother to read the documents. They neglect the important subject of "***the abomination of desolation***" and "***the end of the perpetual sacrifice of the Mass***" announced by the prophet Daniel and by Jesus himself in the Gospels:
 - Saint Mark, chapter 13: <https://www.sante-societe-spiritualite.ch/marc-13.pdf>
 - Saint Matthew, chapter 24: <https://www.sante-societe-spiritualite.ch/matthieu-24.pdf>

5.2 What does the Word tell us?

- *"You have eyes and do not see, you have ears and do not hear!" (Mark 8:18)*
- *"But when the Son of Man comes, will he find faith on earth?" (Luke 18:8)*

6. Heresies of the current government of the Church

- In the history of the Church, there have been 265 popes, Benedict XVI being the last. None of these legitimate popes was heretical in proclaiming, in official documents, positions contrary to the dogmas or teachings of previous popes. They were assisted and enlightened by the Holy Spirit. This is the gift granted by the Lord by virtue of the dogma of **papal infallibility**.

6.1 What does the Apostle Saint Paul tell us? Let us reread his warning

- *"I am astonished that you are so quickly deserting the one who called you by the grace of Christ and are turning to a different gospel. There is no other gospel, only some people are confusing you and want to change the gospel of Christ. But even if we or an angel from heaven should preach a gospel other than the one we preached to you, let them be anathema! As we have said before, so now I say again: if anyone preaches a gospel other than the one you accepted, let them be anathema! Now, do I seek approval from human beings, or from God? Am I trying to please human beings? If I were still trying to please human beings, I would not be a servant of Christ. Brothers, I want you to know that the gospel I proclaimed is not of human origin. I did not receive it from any man, nor was I taught it, but I received it through a revelation of Jesus Christ."* (Galatians 1:6-12)

8. The essentials to understand and remember about the Ratzinger Code

8.1 Ecclesiastical Freemasonry, which is very powerful in the Vatican, fortunately only holds an illusion of the papacy

8.1.1 Protection of the Church by Saint John Paul II and Benedict XVI

- Saint John Paul II and Cardinal Joseph Ratzinger adapted their strategy after the assassination of Pope John Paul I. Their enemies had become too powerful to be removed from the Church. They chose another strategy. To counter the machinations of the Freemason cardinals, who had infiltrated the Church hierarchy with a view to destroying it, they put in place an anti-usurpation plan. In 1983, they adapted canon law by
 - distinguishing between the realities of "munus petrinum" and "ministerium petrinum".
 - providing for automatic excommunication (*latæ sententiæ*) for any cardinal who conspired to influence the election of a pope during a conclave.

8.1.2 *Universi Dominici Gregis*

- In the apostolic constitution "*UNIVERSI DOMINICI GREGIS*" by Saint John Paul II, which deals with the vacancy of the apostolic see and the election of the Roman pontiff, the possibilities of "invalid resignation" or "invalid election" were considered and defined:
https://www.vatican.va/content/john-paul-ii/fr/apost_constitutions/documents/hf_jp-ii_apc_22021996_universi-dominici-gregis.html (The election of the Roman Pontiff).

8.1.3 Antipapacy

- There have been around 40 antipopes in the history of the Church. During these periods, only one was the legitimate pope, the others were antipopes. Saint Hildegard of Bingen, prophetess and Doctor of the Church, for example, denounced the antipope appointed by Frederick Barbarossa.

8.1.4 Vacant See

- Benedict XVI, upon his election in 2005, was immediately hindered in his governance of the Church by ecclesiastical Freemasonry. Following the assassination attempt in 2012, he was inspired that the time had come to deceive his enemies and protect the Church and the authentic See of Peter by activating "Plan B". With his document, "*Declaratio*", he withdrew to the See of Rome, but without abdicating. He only renounced the "*ministerium*", the exercise of the practical power of the pope. He thus never renounced the papacy, the "*munus petrinum*", which belongs to the legitimate pope, which is the investiture of divine origin.

8.1.5 The Ratzinger Code

- The Ratzinger Code investigation decoded Benedict XVI's language and communications. A multitude of clues left by Benedict XVI and even a letter to the author of the Ratzinger Code confirm that, during the last nine years of his life, Benedict XVI remained the legitimate pope. The 2013 conclave was invalid, and the cardinals elected an antipope and founded an anti-church. When a pope is prevented from governing and a conclave is convened while the pope

is still alive, the person "appointed" does not become pope, but loses his status as cardinal and becomes an antipope.

8.2 The enemies of the Church possess apparent and temporal power, but not real and spiritual power

8.2.1 The anti-usurpation plan schismatised the false church

- The cardinals who are members of ecclesiastical Freemasonry, the St. Gallen Mafia, and the world powers were deceived by the anti-usurpation Plan B of St. John Paul II and Cardinal Ratzinger. If they had succeeded, during the 2005 conclave or after assassinating Benedict XVI, in placing Archbishop Bergoglio on the seat of Peter, they would have elected a legitimate pope who would have possessed the canonical powers of a legitimate pope.

8.2.2 Nullity of the decisions and acts of the current government in the Vatican

- Since Francis did not become pope in 2013 but rather antipope, he does not possess the powers and prerogatives of a legitimate pope. The acts performed by Francis as "pope" are therefore null and void, as if they had never been performed. The many cardinals he "created" did not become cardinals. The many "excommunications" carried out have no value or reality.

8.3 What could the true cardinals, appointed before 2013, do to correct this situation?

- **Excerpt from an article by Mr Andrea Cionci:** *"As has already happened with the 40 antipopes who have succeeded one another in the history of the Church (on average one for every eight legitimate popes), everything Bergoglio has said or done must be annulled, and the next conclave must be composed only of authentic cardinals appointed before 2013, otherwise another antipope will be elected. In that case, when there are no longer at least three true cardinals under the age of 80 to form a legitimate conclave, the Catholic Church as we know it will come to an end."*

9. Confirmations through supernatural revelations

9.1 Mystics and prophets have prepared us for what the Church and the world are going through today

9.1.1 Let us not be afraid of the Lord, risen and alive, when He speaks to us today as always, through the mystics and prophets He chooses

- Currently, many of the faithful are overly cautious/fearful about the mystics and prophets of our time. Many place blind trust in Rome, while neglecting to learn about and discern the messages communicated by the prophets and mystics of our time. This is unfortunate, because in doing so they place their trust in an institution whose government has been usurped and fail to listen to the Lord who speaks to them, as He always has, through His privileged souls, to confirm His Doctrine. Yet if the Lord transmits information to us, it is because He wants us to be aware of it.

9.1.2 People who are currently cut off from sources of mystical and prophetic information should ask themselves these questions.

- Is it optional to take note of these divine messages?
- Or is it valuable, important, and necessary to listen to the mystics and prophets whose message prepares us to faithfully endure the tribulations of our time?
- When reading messages, how can we discern their authenticity?

9.1.3 In response to these questions, this page provides essential information and a guide for discernment:

9.2 Revelations about the hierarchy of the Church and the tribulations of the End Times

Through the Bible, mystics and prophets, Mary, Jesus, Saint Michael the Archangel and other saints in Heaven speak to us and guide us. We have reached the end times, the time of the fulfilment of prophecies. What do they reveal to us about the leadership of the Church and the times we are living in?

9.2.1 In Scripture, many passages have prophesied the times we are living in

- Book of Daniel (12:11): "*From the time that the daily sacrifice is taken away, when the abomination that causes desolation is set up, there will be 1,290 days.*"

10. Periods and main stages of the divine plan for humanity

10.1 Era of Creation: **1st Fiat**

- 6,000 years ago (in 4004 BC), Adam and Eve were created.
- The Creation of the universe and humanity was **the 1st Fiat**, mainly **the work of our Father**.
- About 100 years later, Adam and Eve doubted, lost faith in God, rebelled and fell.
- Death entered humanity. Our first parents were excluded from the Garden of Eden and deprived of the Tree of Life, so that they would not remain separated from God forever.

10.2 First purification: the universal Flood

- After the Fall, human morality continued to decline and reached a state of profound decadence. Only Noah and his family remained faithful. The universal flood purified humanity.

- During the following 2,000 years, God prepared for the coming of his Son Jesus through the patriarchs, the righteous and the prophets.

10.3 Era of Redemption: **Second Fiat**

- About 2,000 years ago, Christ transmitted the divine Word, offered his life to redeem humanity, died, and then rose again.
- **Jesus thus accomplished Redemption; this was the 2nd Fiat, the work of the Son.**
- For about 2000 years, the Holy Spirit has been blowing continuously, and the lives of mystics, martyrs, and saints have given us more and more magnificent examples.

10.4 Second purification: the tribulations of the end times that we are experiencing

- Satan has been "unbound" for 100 years. We have already had two world wars, and the third has already begun in several nations.
- The decadence of the majority of men and women of our time having greatly intensified, the Antichrist is preparing his assault. He will make himself known worldwide, seduce and dominate humanity, then corrupt the Church, with the exception of *the small remnant* that will remain, with great courage, faithful to God.
- During this period, we will experience "the abomination of desolation" and "the end of the perpetual sacrifice of the Mass" announced by the prophet Daniel, Mark 13 and Matthew 24. About three years later, there will be three days of darkness, then the Antichrist will fall.

10.5 Era of Sanctification: **3rd Fiat**

- Then will begin the Era of Sanctification, **the 3rd Fiat, the work of the Holy Spirit** and the reign of the **Divine Will**, as explained to the Servant of God Luisa Piccarreta, and in the Book of Revelation, the Era of Peace during which Satan will be bound for a long period.
- Christ suffered His Passion, died and rose again. Today, His mystical body, which encompasses all the faithful, is also undergoing a great trial before being renewed.

11. The tribulations of the End Times

Not to be confused with the End of the World in approximately 1,000 years.

11.1 According to various prophecies, here are the different events that our generation will experience during the End Times

- The great apostasy up to the highest levels of the Church.
- The Third World War.
- A major electrical and electronic failure.
- A time of famine and economic collapse.
- **The Warning and the Illumination of Consciences** (prophesied in Garabandal and to mystics).
- Thanks to the Warning, conversions and returns to the Lord will take place. An intense period of evangelisation will follow.
- The persecution of the faithful will intensify.
- Heaven will give the sign of the **Great Miracle**, prophesied at [Garabandal](#), accompanied by miraculous healings.
- If humanity still does not convert, despite the powerful supernatural manifestations, the **Great Chastisement** announced at Garabandal and Akita will occur.
- **The reign of the Antichrist will begin**. He will caricature Christ and bring a false peace. The Earth will be under his domination (dictatorship, totalitarian system, mark of the beast, persecution of the small remnant of faithful). He will establish a world religion, human, deprived of the grace of God. The Sacraments will be abolished, morality rejected, vice and sin encouraged. Good will be seen as evil, evil will be seen as good, everything will be diabolically reversed.
- Only a small remnant will remain faithful to the Lord. They will correspond to the true Church of Jesus Christ. They will live by supernatural acts of faith and reject the mark of the Beast. The Angel of Peace, announced by the messenger [Luz de María de Bonilla](#), will come to the aid of this small remnant. Without the mark of the beast, these faithful will no longer be able to buy or sell, and will thus be excluded from the Reign of the Antichrist.
- This diabolical reign will be short, lasting about three and a half years, the length of Christ's public life. At the end, the ultimate trial of **the three days of darkness** will occur, which is the great cleansing of humanity.
- The Lord, His Mother and Saint Michael the Archangel will intervene and the Antichrist will be destroyed.
- The remaining humanity, purified by this great trial, will have matured. It will be ready for an enormous renewal. The Lord will establish **the Era of Peace**, [the reign of the Divine Will](#), which will be established for a long period during which Satan will be chained.
- About 1,000 years later, the final tribulations and the end of the world will occur. Humanity will have lasted 7,000 years. The first part of the Book of Revelation concerns the current End Times. The second part of the Book of Revelation will come to pass in about 1,000 years, at the End of the World. Satan will be unleashed and it will be the ultimate trial. The Antichrist, who will soon appear, is a man possessed by Satan. At the end of the world, the Antichrist will be Satan himself.

- *Some of the above elements, events and realities are vague, as is usual with prophetic revelations. Realities can be softened by intercession, offerings and sacrifices. Also, Heaven often extends deadlines to allow more time for as many people as possible to convert. The Lord's goal is always the salvation of as many of his children as possible. However, the events indicated in bold will certainly occur.*

13. The spiritual battle of our time

13.1 Regarding the "powerful" Freemasons

13.1.1 The Apocalypse is the revelation, the unveiling of what was hidden

- Here on earth, their time of domination is coming to an end. More and more people are opening their eyes to their lies and deceit. Freemasons have corrupted our societies in every way. Now everything is coming to light, they are being unmasked and finding it increasingly difficult to hide. Our enemies can no longer quietly pursue their sinister plans; they must accelerate, take risks, and try everything they can. This is where they will increasingly "crash" against the Divine Will, which, in parallel, pursues its goal of restoring humanity to its rightful place and role.

13.1.2 What can we do?

- Let us have pity on them and implore Divine Mercy for their conversion and salvation! For one day, like all of us, they will find themselves before their Creator and Judge, who will ask them to account for their actions!

13.2 The attack on the priesthood and the sacraments

13.2.1 Heaven had warned us

- The attack on the sacraments and priests is the crucial issue for our enemies, the heart of the spiritual battle of our time. Of course, they then attack the leaders and those responsible for priests and sacraments, who are the bishops and cardinals. Heaven had warned us extensively at Fatima, Akita, La Salette and through Don Gobbi. The third secret of Fatima revealed that the enemy would take over the top of the Church hierarchy. In Don Gobbi's blue book of the Marian Movement of Priests, many passages are grouped under the theme of ecclesiastical Freemasonry. We had been intensely warned of what is happening right now before our very eyes.

14. Aware of the situation, how should we act?

14.1 Trust, fidelity and hope

The issue addressed on this page is very delicate. We are touching on the heart of the spiritual battle of our time. A humble attitude and serious discernment enlightened by the Holy Spirit are required. These times are so confusing, let us remain very cautious. Above all, as always, let us obey the Ten Commandments and deepen our love for the Lord and for our neighbour. Let us always remain faithful to God through His Word and His Teachings. Let us always remain united to the Lord through His true Church, which is the mystical body of Christ, for He has promised us: "*The gates of Hell shall not prevail against it.*" (Mt 16:18). Let us remain in Hope ("*I have told you this so that in me you may have peace. In the world you will have trouble, but take courage! I have overcome the world.*") (Jn 16:33). When the hierarchy of the Church, corrupted by ecclesiastical Freemasonry, asks us to act contrary to the Divine Will, we do not have to obey, for we must never disobey God.

14.2 The usurpation of the Holy See in Rome presents us with two alternatives

- Remain faithful to the teachings of Jesus Christ, to tradition, to the dogmas of the Roman Catholic Church, to the Catechism of the Catholic Church of Saint John Paul II, and to the magisterium of all the popes, from Saint Peter to Benedict XVI.
- To accept and adhere to the heretical and schismatic positions and modifications, even the negation of dogmas, by the antipope Francis.

14.3 What position should we take?

- Let us carry these intentions in our prayers and implore the Lord's grace.
- Let us root ourselves in hope and trust, remembering that God is all-powerful and all-loving.
- Let us remain faithful to the Lord, even if this places us on the margins of the position held by the majority.
- Let us not adhere to lies, deceit and heresy.
- Let us resist the deconstruction of dogma, morality and the Church.
- Let us be determined to obey God and not men or Satan.
- Let us fear nothing and remain confident. Faithfulness to the Lord's love may be accompanied by persecution. However, not a single hair can fall from our heads without the Lord's permission. Anything can happen, and God will always protect us. Let us fear above all

displeasing and offending the Lord. For those who have chosen to love, death is not inevitable, for they receive the eternal reward of Heaven. Only eternal damnation is to be feared.

- We can, without fear, commit ourselves to faithfulness to the Lord, for He will never disappoint us; it is impossible. Contrary to appearances, this is the most comfortable position. Indeed, the Lord tells us, "*Take my yoke upon you, become my disciples, for I am gentle and humble in heart, and you will find rest for your souls. Yes, my yoke is easy to bear, and my burden is light.*" (Matthew 11:29-30)

14.4 Fidelity to the true Doctrine and to the true Church, which is the mystical body of Jesus Christ

She is the mystical body of Christ and therefore can never succumb. Let us remain faithful, confident and always defend her. Let us imitate our Master, who defended the Truth that He Himself is, even to the point of giving His life. Let us meditate on the parable of the vine and the branches and never detach ourselves from the source of life and grace. Christ prayed that His faithful would remain united; let us not disobey Him. Nothing will ever justify abandoning the one true Church established by the Lord, even if she is very sick or even dying. The Church will be increasingly attacked and deeply weakened, but never destroyed. We know this and we believe it. The difficulties, trials and corruption that our Church is going through were prophesied, so let us remain confident. Our Lord is watching over us and He knows what He allows and how and when He will raise up and renew His Church!

14.5 We must obey God

14.6 Join the Little Catholic Remnant of the Virgin Mary

15. Challenges for Catholic priests

15.1 Let us defend the Church and her ordained ministers

A deep and irrevocable love for the one Church founded by God, the Body of Christ, compels us to defend her against her enemies and the attacks she suffers. Our desire is that as many priests as possible also come to know these realities, open their eyes to all the lies and corruption, reject them, and not become complicit through ignorance or negligence.

Let us implore Heaven's grace to remain faithful or to become so. Let us be prepared to protect priests who refuse to be corrupted and who are in danger. Let us be ready to bear witness to the truth, even if it puts our lives in danger.

15.2 Let us support Catholic priests

15.2.1 The trial of the priests

- During the Passion and before the Resurrection, the apostles, with the exception of St John, were completely discouraged, disappointed and defeatist. They saw what was horrible, but not the victory that was coming. Our Mother Mary, in the midst of her enormous pain as Co-Redemptrix, nevertheless remained in Hope, trusting in her Divine Son. She carried in Hope the enormous glory of the Resurrection.

15.2.2 Responsibility and fidelity of priests

- Let us hope and pray that as many priests as possible will not neglect the current challenges and that they will form a small remnant of priests who are unwaveringly faithful to our Lord and Saviour, just as St John remained, with the Virgin Mary, standing at the foot of the Cross. Thus, when the Antichrist with his world religion is in place and the words of consecration have been changed, emptied of their substance, these courageous priests will continue to celebrate the true Eucharistic sacrifice and the other sacraments discreetly. Thus, during these Masses, it will still be Jesus who is truly present on the paten, and they will be able, together with their faithful, to continue to receive Communion from our God.

15.2.3 Gratitude to priests

- As lay people, we owe great respect and gratitude to the priests who administer the sacraments to us. Thanks to them, a path to Heaven is possible for us. Priests have a duty to guide us to Heaven, and we have a duty to support them with our prayers. We will all have to give an account to the Lord.

15.3 Prayer of intercession for priests

15.4 Documents to alert your priests and encourage them to remain faithful to the crucial issues of their vocation

16. Conclusion

16.1 Remaining confident and hopeful

Some people have opened their eyes to the current problems, to the corruption in the world and in Rome, but they are anxious, fearful and concerned. They have studied and examined the difficulties we are going through in depth, but without fully understanding the positive purpose for which the Lord is allowing humanity to go through these trials and the good that Heaven will bring out of them.

It is obvious that Satan is raging, and we are approaching the most intense period of his hatred for our time. Everything that is happening at the moment has been foreseen and announced by Heaven, so we have no reason to fear. However, it is not this fallen angel, nor his diabolical works, that are most important, but the renewal that Heaven is bringing about at the same time. We have reached a point of convergence between what was announced to us by Scripture and the prophets. There was the Flood, which was the first renewal of the world, then there was the Redemption, the second renewal of the world. Now, as taught to the Servant of God Luisa Piccarreta, the third renewal of the world will be an Era of Peace, the Reign of the Divine Will. This is what is essential and what we must focus on.

The subject is certainly serious, but it would be a mistake to interpret it with a lack of Hope. Let us not focus on the devil's attempts to counteract the work of salvation, but let us seek to understand what the Lord is doing at this moment. We know that our Lord and His Love are the great victors. Two thousand years ago, the essential thing was not Satan's hatred of Christ leading to his crucifixion and death, but the Redemption wrought by the Lord who freely chose to offer His life. Similarly, at present, we should not focus on the difficult, painful and sorrowful aspects, but on the extraordinary renewal of the world that is underway and from which the surviving humanity will greatly benefit after the tribulations.

16.2 Church hierarchy in the Vatican

Enlightened by the concepts presented above, we better understand the difficulties and trials of our present world and how they fit into the divine plan announced to us by mystics and prophets. The satanic attack against God, His priests and the sacraments no longer surprises us. Through the current tribulations, men manipulated by the devil are vainly attempting to take total control of humanity.

Monsignor Bergoglio, who was not pope and had lost his status as cardinal, corresponds to the person mentioned in the prophecies of Fatima, which describe a "*bishop dressed in white*":
<https://www.marcotosatti.com/2024/08/30/ratzinger-tychonius-et-fatima-une-cle-pour-la-fin-des-temps/>

Those who persist in recognising Monsignor Bergoglio as the true pope are spreading error and deception. If those who have understood the reality were to say "Pope Francis", they would be committing a sin, for it would be a lie.

For us today, let us accept that our Church is going through its Passion, and may disappear in its present form, in order to be renewed to accompany us during the 3rd Fiat, the Era of the Holy Spirit.

16.3 Triumph of the Immaculate Heart of Mary

Our Holy Mother, Co-Redemptrix, will definitively crush the head of the infernal serpent

- To hope to hold fast during this period, let us turn to our Holy Mother in Heaven. In numerous apparitions and words of mystics, the Virgin Mary presents herself as the Ark of our salvation. Our Holy Mother is therefore indeed our refuge, the new Ark of Noah. Let us not let go of her hand!
- She has given us a powerful weapon, completely free of charge: **the Rosary**. Let us use it intensively!
- The Immaculate Heart of Mary will triumph, our Holy Mother will crush the head of the serpent. Let us therefore remain close to her, under her protection, on the right side, that of the victors.
